Maybe the three of us can talk today before the OMB meeting. That meeting is just us listening to the industry's thoughts on Biostimulants. I am told they have NOT seen the draft guidance.

Subject: Biostimulants - Nancy Beck Request

Hi Bob, Frank and Russ,
Biostimulants came up today on the OCSPP IO morning call. Nancy Beck would like us to finish up our responses to OMB's comments. She realizes that we have comments from USDA and a meeting with DOJ in Feb; however, she would still like us to get back to OMB on their comments. TJ gave his input on the economics portion today so BEAD is done. Not sure if BPPD had anything else to do on the responses but can BPPD tidy these up, send them to Rick early next week so he can review before you send to RCS?
Thx so much,
Wynne
